

RubeRally 2010

Registration: 11 to 1:30 p.m. March 20, 2010
\$ 15 per person (includes a complimentary dinner ticket)

Must have a valid drivers license, proof of insurance and vehicle registration.

The RubeRally is a featured event of the RubeLab Green Fair.

Individuals and non profits: We encourage you to display your vehicle during the Green Fair. Space will be provided for you. There will be parking available for trailers.

Rube Fair vendors: We encourage you to enter your display vehicles in the rally. It is an opportunity for additional exposure as you travel through Mt. Dora, Tavares and downtown Eustis.

Vehicles will leave Ferran Park at 2 p.m. and travel by a designated route with stops in Mount Dora and Tavares. The course is approximately 15 miles. This is not a timed race. Participants will be given a description of the route to follow. There will be clues along the way to answer the questions presented to you. You will also be able to collect business cards in the three cities to help with your final score. Prizes will be awarded on the most correct answers and most number of business cards. The awards ceremony will be at 5 p.m. in Ferran Park followed by dinner.

This event is open to any street legal vehicle that does not burn fossil fuel. Electric, natural gas, solar, hydrogen, hybrid (using electric only), bicycles, etc. For those who do not qualify for the RubeRally, we invite you to enter the "Once Around the Park" showcase. Open to all ages. And the more creative, the better. Note: must register but no registration fee.
